

A child's eyes light up with excitement as they anticipate the arrival of Santa and Mrs. Claus. Imagine their glee at the thought of joining Santa for breakfast. The intimate setting of the Southshore Centre will set the stage for the arrival of Santa. Each child will have opportunity to spend a moment with the jolly character, sharing their wishes and receiving a little gift during the joyous celebration of the season. Entertainment will complete the package of food and fun, Santa and surprises. Parents will soak up the special moments with picture taking as memories are made to be cherished for years to come.

The event will take on an extended purpose as parents and children are given opportunity to remember others during the season of giving by placing a scarf or mitts on the giving tree or leaving a non-perishable item in the basket for those who need a little extra help at this time of year.
